Summer Leadership Conference

Due to the pandemic, we unfortunately could not have our ICON as an in-person event. However, Key Club will be holding a virtual Summer Leadership Conference (SLC). The event will take place from July 8-10. There will be plenty of activities, including but not limited to: speakers, workshops, and fun projects! Registration closes June 25th at midnight EDT, and cost \$25. The URL to the registration site is: <https://www.keyclub.org/summer-leadership-conference-registration/>. This event will be an experience to remember, so don't miss out!

Club Contacts

I am still on the lookout for club contacts. If you would like to be added to the Division Six mailing list, please email me or send me a DM on Instagram. I want to make sure everyone who wants updates on our division is able to get them. If your club has held officer elections, please send me their updated information. If your club has not had elections yet, that is okay! I would be happy to help with your elections if needed.

Divisional Council Meeting Opinions

I would love to have a meeting with you guys! However, sense it is the summer, I would like to know everyone's opinions and availability during this time. Please send me an email or message saying when would be most convenient for your club and how many people would be interested in attending. Once I hear from some people, we will go from there. I hope to see you guys soon!

Summer Activities

Happy summer Division Six! Although this is a time to relax, this is also a time we can help our community. Some ideas for summer service projects include: donating to a food shelter, clean local parks, hold a car wash, etc. If you have any other ideas, please feel free to share
