SUMMER LEADERSHIP CONFERENCE

This summer, Key club international was planning to hold a 2021 convention at Walt Disney in Orlando, Florida. due to the world's current pandemic key club international have unfortunately decided to cancel ICON. Instead, they'll be hosting a Virtual summer conference. where they would feature speakers with different types of workshops and even a chance to win prizes while meeting new people from all over the country!

Club Contacts

Please feel free to email me with your local club officers' information. newsletters are the best way I could personally keep you and your local clubs informed on events going on all over the district.

Service to others is the rent you pay for your room here on earth.
