**Key Club Week**

**DECEMBER 1, 2021**  
**Annual dues**  
**become delinquent**

## Club Contacts

Hey Divison 12! I hope you all have had a great month and are ready for summer now that school's over. I am still missing contact information for some clubs, so please email me as soon as possible with the contact information of all of your club officers! Feel free to also include anyone else who is also interested in receiving divisional emails. Having each club's contact information is super important so that I'm able to keep everyone up to date and informed. I will be reaching out to clubs that have not emailed me their contacts yet this month, but it will be much easier if you're able to send it to me yourself! Thanks!

## SUMMER LEADERSHIP CONFERENCE

As I mentioned in my last newsletter, due to the difficulties of COVID, Key Club International has unfortunately made the difficult decision to cancel International Convention. However, great news—in its place, they will be hosting a virtual Summer Leadership Conference (SLC)! SLC will take place from July 8-10th, and the registration deadline is on Friday, June 25th, at midnight EDT. The fee is \$25; you can register at [keyclub.org/summer-leadership-conference-registration](https://keyclub.org/summer-leadership-conference-registration). SLC will have speakers from nonprofits around the world, workshops where you can learn about service, leadership, and club operations, recognitions for impactful leaders, and lots of chances to win prizes and have fun with other Key Clubbers!

The workshops at SLC will be focused on a variety of areas. You and your advisors will have the opportunity to attend workshops on raising awareness on service opportunities with the help of student leaders and partners, building members' capacity and character potential through officer training, learning the soft skills necessary to be an effective leader, providing members with innovative ways design meaning service projects, and allowing collaboration with students from multiple Key Club districts. I definitely encourage everyone to attend—it'll be a fantastic experience! If you have any questions about registration or anything else regarding SLC, feel free to reach out to me through email or DM.
