Hello Division14!

I hope everyone had an amazing 4th of July and was able to spend time with family and friends! School is slowly approaching and with that comes recruiting new members, paying dues, and starting a new year of service.

Youth Opportunities Fund

The Youth Opportunities Fund (YOF) is an endowed fund for Key Club International held within the Kiwanis Children's fund. The YOF can help you take action within your school and community!

How to apply:

There is only one opportunity to apply per year to receive funds from the Youth Opportunities Fund.

The application must be received by October 15 at 11:59 EST.

Clubs can request US \$100 to \$2,000. Applications received by October 15 are reviewed by Key Club International YOF Committee during their November meeting.

Funding notifications are sent out the first week of January. The application can be found at keyclub.org/yof and guidelines for filing the application can be found in Key Club Guidebook under 'Board Polices'.

SLC:

Summer Leadership Conference (SLC) was organized by Key Club International from July 8- July 10. At this event, participants attended several informative workshops hosted by the International Board members. Some of the topics included youth protection, public speaking etc. If you missed a session or could not attend the conference, International will be releasing recording of the sessions soon.
