# Youth Opportunity Fund

Your Key Club could be eligible for a grant between \$250 and \$2,000! This is an opportunity for any Key Club so they can identify problems or areas of need in their community, then receive the monetary funds needed to complete the project. Look around your community and apply to the YOF by October 15. Grant recipients will be notified in January. # Summer Leadership Conference

Summer Leadership Conference (SLC) was organized by Key Club International. This event replaced ICON this year due to Covid-19 restrictions. This event was held online and offered various informative workshops led by International Board members. If you were not able to make it to SLC this year, or if you missed a session, recordings of the conference will be released soon.
