HELLO DIVISION 10

ITS OCTOBER!

it's finally approaching sweater weather. I am glad it's going to be cooler, but I will miss the nice summer nights. The image above was our Division 10 officer meeting held last month (excuse my odd facial expression); it was very enjoyable. I am so glad 5 schools were able to attend and hang out together.

Trick or Treat for UNICEF

Key Club has partnered with UNICEF for many years to raise money for educations and healthcare. Clubs should have received a donation box that will be used to collect money instead of candy. Now UNICEF is helping sanitize the water supply in Haiti. Covid 19 and the 7.2 Hurricane has really hit families hard, so clean water will help keep children and families safer.

Let your fellow members know how much they matter by writing thoughtful sticky notes or a letter.

Wednesday: Dare to Share!

Put up a little narrative about yourself on social media.

Thursday: Random Acts of Kindness!

Spread cheer within your school or community.

Friday: Connect the K's!

Get in touch with your Kiwanis group and participate in a service project
