Hello Division 15,
We are in the new month of November! I hope everyone is enjoying the cool fall weather, and I encourage all of our Key Clubs to start having meetings if they haven't begun yet. To start off, some good news is that Fall Rally was a fantastic success! We had around 500 members in attendance, and the DCON theme was announced. The first week of this month was also Key Club Week, so if your club did anything special for the week, please send in pictures to share with the rest of our division!

District Convention

DICON will be held from March 18-20, 2022 at the Marriott - Cool Springs Hotel in Franklin, Tennessee. The 2022-2023 District officers will be elected at DICON, and there will be a service fair, workshops, a dance, and more! The Keynote speaker will be Judson Laipply. Price will include 2 nights of a hotel room, 2 meals, all convention activities/programs, and convention souvenirs. The theme has been announced to be **Saving the Superheroes of Service!**

Running for Lt. Governor and District Office

If you are interested in becoming a Lieutenant Governor, you can run at Spring Rally, which is an event that will typically be held sometime in February. In order to run, you'll have to prepare a speech and go through a short questioning session.

Then, the clubs in your division will vote to elect the Lieutenant Governor. This is a great opportunity to lead your clubs, so I highly encourage some of you to run for this position. If you are interested in holding an executive officer position, to include the District Governor, Secretary, or Treasurer, you will run at District Convention, also known as DICON. If you want to run for these positions, you will need to prepare two caucusing speeches, each less than 2 minutes, as well as a speech at the House of Delegates, which has to be under 5 minutes for the governor and under 3 minutes for the Secretary and Treasurer. Additionally, there will be a longer caucusing question session, and in the end, there will be an election for the executive officers.
