DCON RECAP

District Convention was a huge hit!! We finally got to have an in-person DCON after 3 years, and it was definitely thrilling! After covid, we lost many numbers, but we're back in business!

In addition to a couple of special guests, we celebrated "Superheroes in Service" through the Evolution of Dance, a service project, a few workshops, and a District Dance. The

House of Delegates session took place, and the board members were elected. The 2021-2022 officers were retired, and the 2022-2023 officers were installed. Congrats to every board member!

Another congrats to all the clubs who won awards that's amazing everyone! I'm super excited to get this year rolling, and I think we have a great one ahead. I can't wait for the next District Convention!

EXCITED FOR THE NEW YEAR

This year, it is my focus to help the clubs and get to know everyone. I will be holding divisional council meetings (DCMs) and division-wide projects. DCMs will take place every month (a mix of online and in-person), and division-wide projects will take place every other month if possible. Getting these running again will allow me to help you all. My purpose is to assist division 12's clubs, and I want to do this in the best way possible. DCMs and division-wide projects will also let us see one another and improve communication from the district to the clubs overall! I also have a goal to reactivate clubs and charter new ones. Our division has quite a few places that could potentially be clubs, so I am very eager for this! I look forward to seeing you all soon!

CLUB REQUESTS

I would really appreciate it if all club advisors and presidents were to email me with contact information so we are in touch.

Communication is vital in order to get information throughout the division! Any new club officers please email me. If any clubs have not had their elections for the upcoming school year, it is not too late! If anyone needs help, I'm always available. Do not hesitate to ask!

INTERNATIONAL CONVENTION

ICON Registration is now open! This year, International convention will held in Washington DC. The K-T District is offering a tour to the convention. This will last from July 5-12th. This is a great opportunity for you all to enjoy the convention as well as enjoy Washington D.C. as a group. Information and registration forms will e posted on the district website at ktkey.org very soon. If you have any questions, feel free to ask!
