Excited for the year

I am excited to jump back into the Key Club year with you all.

I want to make it a focus of my year to get to know you all, charter new clubs, and bring back inactive clubs. I also want to bring back Divisional Council Meetings, and so a few Division wide projects. Lastly, I want to improve communication from the District to the clubs. Please feel to contact me at anytime throughout the year.

Club Contacts

In order to get more information in a timely manner and keep you all updated, I would like to have your new officer contacts. As soon as you have elected new officers, please send me their information to me, with the contacts I have provided.
