## District Convention Recap

DCON was an amazing experience. There were over 200 attendees who celebrated Superheros of Service. During the convention Key Clubbers experienced guest speakers, workshops, a service project, and a District Dance. ## Excited for the year

---

My focus for this upcoming year is to grow our Key Club family. I plan to do this by hosting Divisional Council Meetings and a few Division wide projects. I also want to improve communication from the District to the clubs. Please feel free to contact me at anytime throughout the year. I am so excited to get to know you and your clubs.

## Club Contacts

---

Once you have elected your new officers, please send me their contact information. This is so you can get the latest updates and information regarding events. Also feel free to contact me. I love hearing about how your clubs are performing and answering your questions.
