About Me

Hello! My name is Zöe Drake and I am Division 15's Lieutenant Governor for the 2022-2023 Key Club Year. I am currently a junior at Clarksville High School in Clarksville, TN. I have been a member of Key Club since 9th grade and I can't wait to serve you as LTG this year! I know it will be great!

District Convention Recap

This year's DCON was held March 18-20 in Franklin, TN. With over 200 attendees, various workshops, and an amazing performance by YouTube star Judson Laipply, the convention was a great success, and an amazing experience for everyone there. For more information on DCON, such as award winners or how you can attend DCON in 2023, visit ktkey.org.

Successful Spring Board

This year's Spring Board was the first in-person Spring Board meeting in 3 years! We met in Knoxville, TN April 8-10. It was a great success, as the whole K-T board was able to meet and discuss plans for the upcoming year. We received meaningful information about how to successfully lead you all and make this Key Club year the best it can be!

Excited for the Year

I am so excited to jump into this new Key Club year! I want to focus on improving communication from the district to the clubs and hone in on reactivating and revamping the clubs that are struggling in our division. I also want to be able to build meaningful relationships with all of you, so I hope to host various division meetings and projects throughout the year. Please don't hesitate to email me and make sure to follow me on Instagram.

Club Contacts

As elections occur within your individual clubs, please make sure to send in contacts for your new officers. This is so that I can keep you all updated and ensure the efficiency of our division.

The best way to send me this information is through my email. Be sure to include the officer's full name, their school, position, and email. Thank you!

ICON

Registration for ICON is now open! This year's International Convention will be held in Washington D.C. from July 6 to July 10. In addition to the convention, the K-T District is also offering a tour to the convention from July 5 to July 12. This is an amazing opportunity to attend the convention and tour our nation's capital as a group. Registration and information will be available on the ktkey.org website very soon! I hope to see many of you there!
