OUR GROWING PROJECT

R M D H

The Ronald McDonald House Charity (RMHC) is a nonprofit organization that supports and provides for the families of hospitalized children.

RMHC's job is to help the families. Your job is to help RMHC. My job is to help you help RMHC. Pretty simple right?

Throughout this year I will be facilitating club and division involvement all throughout the district—so you can do your job the best you can.

OUR SHARED EXCITEMENT

NEW YEAR

I know everyone is excited to get the ball rolling on service events, and I am right there with you. Although this newsletter was short, you will be hearing from me more.

I am so eager to make your involvement in RMHC more engaging and your Key Club year easier.

At Your Service,
Genavon Poudryel
