As stated before, club officers need to send me their new club officer contacts so they don't miss out on important information. I would love to get in contact with all Key Clubbers and see the wonderful things that clubs are doing. This will also make it easy to keep you informed on up to date information and upcoming events.

ICON registration is still open! If club members plan on attending the deadline registration for in person is June 3rd and those that plan on attending virtually the registration deadline is June 15th! International convention will be held in Washington, DC. The K-T District is offering a tour to the convention. This will last from July 5th-12th. This is a great opportunity for you to enjoy the convention as well as Washington, DC as a group. ## Summer Activities

Key club doesn't end at the end of the school year! There are many ways to stay active in ones community, helping others during the summer.

You could do many thing such as...

- Cleaning your local park
- Reading to children
- Volunteer at animal shelters

Stay active in aiding in your communit, have fun helping others, and enjoy your summer !

If you guys ever need ideas for service ideas especially during the summer don't hesitate to ask! I know that at times it can be hard to come up with ideas for service or fun ways to give back to ones community. If I can ever make that process easier I am happy to help. If you guys ever have service ideas that you would like to share with other clubs notify my and I can add it to the next newsletter or the Division 3 Instagram!
