Suspended

In This Issue

Hello everyone! In this month's edition of Frost's Feature, I have provided details on International Convention and I have mentioned a few examples of summer activities that your clubs can take part in. On another note, in June I am hoping to plan a division meeting so please email me if there are any dates that do or do not work for your club.

Club Contacts

In order to keep you all updated, I need to make sure I have your new officer contacts. As soon as you have elected new officers, please send their information to me.

ICON

This year, International Convention will be held in Washington D.C. The K-T District is offering a tour to the convention. This will last from July 5-12th. This is a great opportunity for you all to enjoy the convention as well as enjoy Washington D.C as a group. Information and registration forms will be posted on the district website at ktkey.org very soon. If you have any questions, please feel free to contact me at abbey@ktkey.org!

Summer Activities

Although it is difficult, it is important that each club is able to maintain participation from their members over the summer. Here are some ideas of possible summer activities that your clubs could take part in.

- Cleaning up trash in parks or rivers
(Organizations such as Keep Blount Beautiful or Keep Knoxville Beautiful will have specific dates set up over the summer)
- Working with local food pantries
- Partnering with tutoring groups or libraries to help younger kids continue learning out of school
(Friends of the Knox County Library will be hosting an event on May 21 for the Children's Festival of Reading and needs volunteers)
