Hello everyone! I hope you all are well and that everyone had an amazing and service-filled April! Below you will find some very important topics. If you all have any questions, feel free to email me at the address listed directly below.

Housekeeping

I am going to go ahead and address some general housekeeping tasks for this month as well as the following months:

First, I am going to remind you all that each club should be submitting monthly reports. Those can be submitted at ktkey.org under the "club resources" heading.

Secondly, I am going to remind you all that contact is the Key! We should be staying in contact, and you can ask me anything at any time. I am here to help, and there is no such thing as a stupid question.

Dues!

I would like to reiterate the dates regarding dues in the calendar of events.

- Dues become payable on October 1st. I will encourage all of you to pay your dues as soon as possible. This allows your club to move forward without a hitch, and can even win you an award at DCON 2023.
- Dues become delinquent on December 1st. This means that you are not in good standing with Key Club International or the district. This is not a good start.
- Unpaid clubs become suspended on February 1st, 2023.

Club Contacts

I still do not have contacts for the clubs. If you have already elected new officers, please send me their information. If you haven't already elected new officers, please elect then send me their information as well. This allows me to inform everyone in a more efficient manner.

ICON

If you plan to attend ICON and are going to attend with the K-T District, you must have at least 250 dollars of the tour price paid by May 15th. This is non-refundable. You must also, if you haven't already, send the completely filled out Tour Registration Form and Tour Reservation and Commitment Form papers. The tour balance must be completely paid by June 1st. The full forms and more information are included at ktkey.org

I hope all that are going have an amazing and eventful trip!
