## CLUB ELECTIONS

It is that time of the year! I encourage all clubs to hold elections before the end of the school year if possible. If you are not able to, this will go into the beginning of the next school year. If any schools have already held elections, that is amazing! Advisors or the officers themselves please email me contact information of new officers! For everyone else, I would love to work with the new officers over the summer, so please try to get them done before school ends!!!

## CONTACT REQUESTS

I need ALL clubs/advisors/members to send me contact information at [prisha@ktkey.org](mailto:prisha@ktkey.org) so we are in touch! It is very important for us to be able to communicate in order to get information sent throughout the division. Any new club officers should also email me as previously mentioned. I want to get to know all of you and see what I can do to help your club! :)
