# Summer Activities

---

Even though school will be letting out soon, volunteer opportunities are still everywhere! Summer is a great time to branch out into the community and serve in new ways! Some ideas for Summer activities include: a trash pick up or volunteering at the local soup kitchen. Additionally, I know many local schools host summer programs for children and many of these programs run on volunteers. This is a great service opportunity as well.

# Division Meeting

---

This year, as Lieutenant Governor I will be holding Division Meetings. This is when Key Clubbers from all across Division 8 will come together and get to know each other through socializing and service! Division Meetings are an excellent way for me to update clubs on what is going on at the International level and to get to know y'all in a face-to-face setting! Stay tuned next month for more information on our first Division Meeting!

## Club Contacts

---

In an effort for both you and I to stay updated and informed, as soon as you have elected officers please send their contact information to me. This will ensure that I can relay information to officers and clubs in a timely manner.

## International Convention (ICON)

---

International convention will be held in Washington, D.C. K-T District will be offering a tour to the convention. The tour allows students to attend the convention, experience Washington, D.C. as group, and gives students many conveniences such as provided meals, snacks, and tours around the city.
