Dues

As of February 1, unpaid clubs are suspended. To return to active status, please pay your dues before the school year ends. If you aren't sure if your club has paid dues, please feel free to email me. Dues are \$14 per person.

Club Contacts

Please make sure to send in contacts for your new officers. This is so that I can keep you all updated and ensure the efficiency of our division. The best way to send me this information is through my email. Be sure to include the officer's full name, their school, position, and email. Thank you!

International Convention

Registration for ICON is now open! This year's International Convention will be held in Washington D.C. from July 6 to July 10. In addition to the convention, the K-T District is also offering a tour to the convention from July 5 to July 12. This is an amazing opportunity to attend the convention and tour our nation's capital as a group. Registration and information is available on the ktkey.org website now! I will be going on the tour, so I hope to see many of you there!

Summertime Service Ideas

Key Club may be a school club, but the principle of service is important year-round. If you're not sure how to continue volunteering once school lets out, some ideas are listed below. These can be done individually, or you could even get your club together for a summer service project!

- + volunteer at the animal shelter
- + volunteer with a hospice center
 - + pick up trash in a park
- + do yardwork for your neighbors
 - + offer to babysit
- + participate in events like Bowl for Kids' Sake
- + volunteer at projects hosted by your local Kiwanis

Find more ideas online, or check in with your local Kiwanis to see if they can help.
