District Convention Recap

DICON was held March 18-20th in Franklin, Tennessee. The theme was Celebrating Superheros of Service. It was a great convention with over 200 attendees all across the District. For more information about award winners and pictures, please visit ktkey.org.

Excited for the Year

I am excited to jump back into the Key Club year with you all. I want to make it a focus of my year to get to know you all, charter new clubs, and bring back inactive clubs. I also want to bring back Divisional Council Meetings, and Division wide projects. Lastly, I want to improve communication from the District to the clubs. Please feel to contact me at anytime throughout the year, and don't forget that you guys can hang out over the summer to plan Key Club events ahead of time for the school year- just to get a jump on things, and maybe plan some community service projects.

Club Contacts

As soon as you have elected your new officers, please send me their emails and phone numbers. I love talking to every Key Club officer, and I'd love to answer any questions/concerns they have. I will put them into a mailing list so they will be sent every email I send to the advisors. It is a great way for the officers to take on responsibility and inform their club of current events.

ICON

ICON Registration is now open! This year, International Convention will be held in Washington D.C. The K-T District is offering a tour of the convention. This will last from July 5-12th. This is a great opportunity for you all to enjoy the convention as well as enjoy Washington D.C as a group. Also keep in mind registration for ICON will close May 15th. Information and registration forms are posted on the district website at ktkey.org. If you have any questions, please feel free to contact me.
