# Summer Activities

---

Even though school will be letting out soon, volunteer opportunities are still everywhere! Summer is a great time to branch out into the community and serve in new ways! Some ideas for Summer activities include: a trash pick up or volunteering at the local soup kitchen. Additionally, I know many local schools host summer programs for children and many of these programs run on volunteers. This is a great service opportunity as well.

# Division Meeting

---

This year, as Lieutenant Governor I will be holding Division Meetings. This is when Key Clubbers from all across Division 8 will come together and get to know each other through socializing and service! Division Meetings are an excellent way for me to update clubs on what is going on at the International level and to get to know y'all in a face-to-face setting! Stay tuned next month for more information on our first Division Meeting!

# International Convention (ICON)

---

2022 ICON was a great success! At this year's International Convention Key Clubbers from all over the world came together in the name of a "Monumental" year of service. Attendees participated in service projects, a variety of workshops, got to experience several Key Note Speakers, and so so much more! ICON was such a great experience. Next year's convention will be held in sunny Anaheim, California. See you there!

## Club Contacts

---

In an effort for both you and I to stay updated and informed, as soon as you have elected officers please send their contact information to me. This will ensure that I can relay information to officers and clubs in a timely manner.
