HELLO!

Hello, Division 1!
I hope you all are doing well
and having a fun, safe summer so
far!

Division Meeting

The next divisional meeting via Zoom call will be held in this month. More information is to come via email. I hope to see you all there as it is a great way to get to know each other and hold discussions about our upcoming year.

Summer Service Activities

With the school year ending it may seem difficult to find service projects, but there are a variety of ways to stay active in serving your community.

Some ideas include:

- Cleaning out your closet and donating any unwanted items to a local charity
- Collecting items for a food bank
- Making cards for first responders thanking them for their service and so much more!

Club Contacts

In order to get more information to you so that club officers may inform their club of what's occurring. A vital way for me to communicate effectively and pass on information is having your club's contact information. So as soon as you have your newly elected officers please send me their contact information including their email and phone number at Jalsley@ktkkey.com. I would love to stay in contact with each and every club officer so that I can answer any questions or concerns that may arise.

ICON RECAP

International Convention was a huge success as we participated in workshops, traded pins with key clubbers around the world and voted for our next International board! The K-T district offered a tour which gave the opportunity to tour the capital of the United States. Through this tour we learned about our nation's history, viewed national monuments, and much more! I encourage you all to join us next year for ICON!
