Back to School

The beginning of school is fast approaching, which means that we will soon be back into the swing of things. It is important to start the year off in a good way. Dues and membership recruitment are vital for this. Gather new members, plan fun and impactful service projects, pay dues on time, and hit the ground running. It is going to be an amazing year!

Service Project Ideas

Potential service project ideas include:

- Collect pop tabs for/volunteer at Ronald McDonald House
- Back to school backpack drive
- Freshman survival packs
- Read to children at schools in your area
- Can food drive
- Fundraise for March of Dimes

Divisional Council Meetings

I would like to schedule a DCM for a date in the near future. Before the meeting occurs, however, I would like to have everyone on the same page and well connected. I hope we can have some very fun and eventful DCMs this year. If anyone has suggestions for projects to do, locations, or questions, please do not hesitate to email me.

Contacts

It is extremely, extremely important that I have a way to contact everyone. I currently do not have many contacts. I need to be able to email everyone with information, ideas, questions, forms, etc. Please email me at madalyn@ktkey.org with your information. It is vital that I have the contacts of officers and advisors as well as members so that I can efficiently assist you all throughout the year. If you ever have any questions, please do not hesitate to ask!

Youth Opportunities Fund (YOF)

The Youth Opportunities Fund consists of grants given to individual Key Clubs to fund projects. There are two cycle of grants. The first cycle's applications are due October 15, 2022. The second cycle's applications are due March 1, 2023. The grants can vary from \$250 - \$2,000. A Key Club can only receive one grant per year.
