Hello Division 14!

I hope that your August has been going well as of yet! Now that Summer Break is coming to a close, it is time to return to Key Club - and the classroom, of course! I encourage all of you to use any sort of club events during this early part of the year to promote Key Club and be able to grow your membership. I also hope to hear about any service projects planned for your clubs in the near future!

ICON Recap

This year, multiple members of Division 14 from Caverna High School and South Warren High School had the privilege to attend the 2022 Key Club International Convention (ICON) in Washington, D.C. from July 5-12. From participating in multiple workshops and a great service project to seeing D.C., it was a swell time for everyone!

Officer Trainings and Divisional Council

It is almost time for our 2022-23 Officer Training and first Divisional Council Meeting! Based on the form and certain circumstances within our division, I have decided that the best date for Officer Training would be on September 24, 2022. This is the approximate date for now. More information regarding training, the DCM, and venue will be sent out this month.
