# Club Contacts

---

In an effort for both you and I to stay updated and informed, as soon as you have elected officers please send their contact information to me. This will ensure that I can relay information to officers and clubs in a timely manner.

## Division Meeting

---

This year, as Lieutenant Governor I will be holding Division Meetings. This is when Key Clubbers from all across Division 8 will come together and get to know each other through socializing and service! Division Meetings are an excellent way for me to update clubs on what is going on at the International level and to get to know y'all in a face-to-face setting! Stay tuned next month for more information on our first Division Meeting!

# Officer Training

Officer Training was a huge success! Students from neighboring schools came together to be trained on how to function as an awesome officer team and serve their specific schools and communities to the utmost degree. As well as this, attendees made cards of encouragement for the staff and patients at Hope's Place Women's Shelter. Great job, Division 8!
