ANNUAL DUES

Dues are now open for payment. Make sure that you have those paid to make sure that your club is update on dues! If you have any question regarding how to pay dues do not hesitate to ask!

Key Club Week

October 1st - November 4th

Thanks to all clubs that participated in Key Club week. I have seen some amazing acts of service and activities that were conducted throughout the week!

I still encourage everyone to provide me with new club officers and advisors contact information. I want to be the best that I can be as Lieutenant Governor and having contacts will aid me in doing so. I plan on organizing a Divisional meeting and would love to be able to contact everyone so I highly encourage you all to send contact information!

Service ideas for the school year:

- Cleaning up after school sports events
- Helping gather school supplies for the less fortunate
- Make appreciation letters to school teachers and staff

Do not be afraid to ask your school staff if they need help! Help those whenever you can.
