Club Contacts

In an effort for both you and I to stay updated and informed, as soon as you have elected officers please send their contact information to me. This will ensure that I can relay information to officers and clubs in a timely manner.

Division Meeting

Our first Division Council meeting is coming up! This is going to be an amazing opportunity for Key Clubbers from all over the division to get to know each other and serve! Our DCM will be held on November 17th at the Veterans Bingo Hall in Grayson. Please arrive by 6:15. Here we will aide in packing over 25,000 bags of oats to feed families in need and flood victims! I have included an informational flyer about this event on the last page of the newsletter. Check it out and hope to see you there!

Officer Training

Officer Training was a huge success! Students from neighboring schools came together to be trained on how to function as an awesome officer team and serve their specific schools and communities to the utmost degree. As well as this, attendees made cards of encouragement for the staff and patients at Hope's Place Women's Shelter. Great job, Division 8!
