Hello Division 14!

I hope that your November has been going well as of yet, I know mine has! It's hard to believe to that it is almost halfway through the Key Club year. However, this only means one thing: don't give up. You may feel burnt out, exhausted, overwhelmed, etc. but keep pulling through. The work and dedication is well worth the prize. In addition, I hope to hear about any future service projects and/or club events for your club in the near future! As always, please do not hesitate to contact me with questions and/or concerns.

December Divisional Meeting

Our Divisional Meeting is just around the corner! We will be have a divisional meeting at the Warren County Library-Bob Kirby Branch on December 3, 2022 from 2:00 PM to 4:30 PM. We will be going over several important things, upcoming events, and most likely doing a service project. Additionally, there will be a Divisional Council Meeting for all divisional councilors afterwards. If you have any questions about the meeting, feel free to contact me!

Key Club Week Recap

I hope that everybody had a great Key Club Week this year, I know I did! Whether it's October 31 through November 4, January 20, or August 31, I encourage all of you to promote Key Club in your schools. You can do this by wearing your Key Club items, promoting Key Club to friends, and so many other ways! I know that all of you will continue to work hard and serve others with the pride of our organization right by your side. It not only benefits your community, your school, others, etc. but yourself as well. It will truly change your life.
