Friday night, We arrived at the hotel, and began the first meeting of the weekend. Afterwards, we had a pizza social and got to know each other!

After a very long day of meetings, We ate at the mall, shopped, and stopped by the arcade for games and mini golf! Everyone got to know each other a little bit more

Sunday concluded our meetings and everyone said their goodbyes. Coming into the meetings, I was nervous, but everyone really stepped out of their comfort zone and we all had a great time!

Convention

2023

I first arrived at the District Convention ridiculously anxious, but it turned out to be way more fun than I had planned it to be. The Hotel we stayed in was absolutely stunning!

The first night I was there, we held the keynote session, which was where the District Governor would give their opening speech and the guest speaker would give their lecture! Our speaker was Scott Backovich! He gave us an ice breaker and told us about the importance of service and being a friend to whomever needed. This is also where we completed our district service project where we packed goody bags for the R.M.H.C.

Sunday we hosted the Governors Farewell brunch and voted in the House of Delegates for new District Board members and endorsed our International Trustee Candidate Jalsley Sarpong. After the Brunch, Awards were given and everyone said their goodbyes.
