About Myself

Hello, Division 6. I'm your new LTG. My name is Jaslyn Wall. I'm an incoming senior, and I'm looking forward to this term year. I've been in Key Club for 3 years now. I do a few things outside of it, from volleyball to HOSA. I'm always on my phone, so if you have any questions, don't be afraid to ask them!!

District Convention Recap

The KT District hosted its 74th annual DCON from March 31st to April 2nd. This year was a lot of fun! We had a guest speaker, Scott Backovich, come and get us up and moving for change in our clubs. Not a single minute during his time was I bored, or during anyone's time! We had a service project creating bags of snacks and small things for the families staying at Ronald McDonald house locations. Also, during our time there, we held district elections; district governor Saumya Sikhwal, District secretary Sala Aseta, and last but not least, district treasurer Jackson Wimpsett. We also had many workshops to help grow our clubs and communities. I can't wait to see everyone at next year's DCON!

Successful Spring Board

The Annual Springboard went without a hitch! We discussed our new goals for the year, from how many new clubs we want to how to entice more members to join. We started up our commitments for the year and how all of them are going to make a positive change to the already great district.

we had some time to get to know everyone, doing many icebreakers and fun games.

we learned all of our duties as a member, no matter what our position is, and how to get this year going strong.

We voted to accept our District Bulletin Editor, Janiah Searcy, and our District Historian, Lucy Teng. Overall, I'm looking forward to working with all the lovely members and keeping this year going as strong as it started. This weekend has shown me that we are all going to work great together!

Club Contacts

Newsletters are a great way to update everyone in the division about the latest happenings within the division. So in order for our year to be as efficient as possible, I need to be able to contact everyone. I would like to get updated club officers' contact information as soon as possible from all the club advisors and the current officers to ensure that I can keep everyone up to date on important Key Club events and projects!

International Convention

This year's ICON is being held in Anaheim, California, From July 4th-11th. With the theme "Lights cameras service", the Sounding area is the perfect pick. Being just ten minutes away from Disneyland and a walking distance from many other fun sites, you'll never have a dull moment there. There are going to be many opportunities for every individual to learn something new. Not only will you get the opportunity to meet key clubbers from different districts and maybe trade some pins, but you just might meet someone famous who was going to Hollywood for Pete's sake! Let's not just talk about all the fun you can have if you go, but the importance of as many people from the KT district going to support our candidate, Jalsley Sarpong, for international trustee and to vote in the caucus sessions. If you are interested in going to ICON, this year you can find more information on the KT key club website (ktkey.org)
