# District Convention Recap

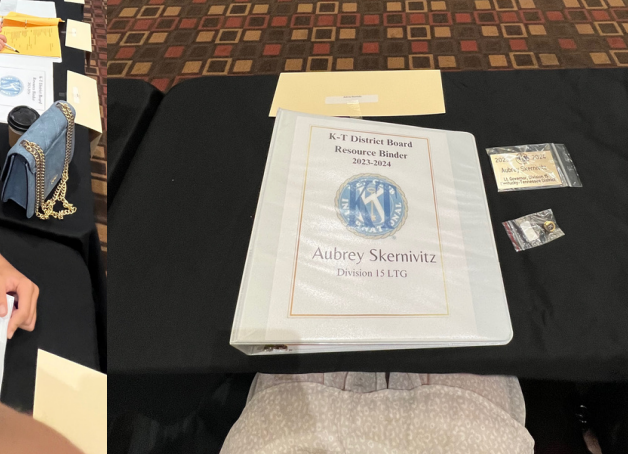

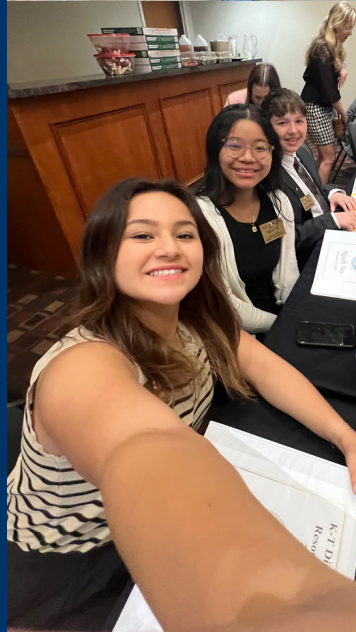

I recently attended the 74th annual DCON in Gatlinburg, TN, March 31st through April 2nd! I had such an amazing time and highly encourage everyone to attend if possible, it is truly an unforgettable experience. We had a hilarious and engaging public speaker, Scott Backovich, who enabled everyone to create great friendships, make new handshakes, and think about the meaning of service. We got to attend creative workshops, explore Downtown Gatlinburg, and elect new executive officers. The new executive board is our district governor, Saumya Sikhwal; district secretary, Sala Aseta; and district treasurer; Jackson Wimpsett.

April 21st- 23rd, I attended Spring Board! It was truly an unforgettable weekend.

Our whole board came together for the first time to set our goals for this year and learn how to achieve them. Most importantly, we learned ways to help our clubs be the best they can possibly be. After spending this weekend working and bonding with this amazing group, I am confident that this will be an amazing year!

## A Successful Spring Board!!

## Club Contacts

---

Newsletters are a great way to update everyone in the division about the latest happenings within the division. So in order for our year to be as efficient as possible, I need to be able to contact everyone! I would love to get updated contact information (preferably personal emails, as many districts block outside emails) as soon as possible from all club officers and club advisors. (Members too!) to ensure that I can keep everyone up to date on important Key Club events and projects! You can send them to [aubrey@ktkey.org](mailto:aubrey@ktkey.org). Thank you!

## International Convention

---

ICON is coming up!!! This year it will be hosted in Anaheim, California. It is a once-in-a-lifetime opportunity to meet Key Club members from around the world, explore California, go to Universal Studios, and vote for International Board. The deadline to register for KT District Tour to ICON is May 1, 2023.
