Club Contacts

Please send me updated club officer contacts as soon as possible. It is very important for me to be in touch with your officers so they can stay up-to-date with the right information.

Summer Activities

Service does not end when school does! Keep your club connected over the summer by planning summer service projects. This benefits students and the community! Contact local charities and non-profits to see if they would like any help. Let me know if you need any help finding service projects!
