Suspended

## Contact Information

*It is essential to have officer elections for the following year as the 2022–2023 academic year comes to a close. Please do not hesitate to contact me if you need assistance and have not yet held elections. Please get in touch if you've held elections and let people know who the new officers are. It is critical to inform the club's leaders of any district-related information.*

## Summer Volunteering

---

Some examples include:

- Writing letters to nursing homes
- Volunteer at a Ronald McDonald House
- Clean up a local park
- Contacting local charities or non profits and asking if they need any help

It is important to keep giving back to your communities as the school year comes to an end. I urge you to keep giving back, taking charge, creating a sense of community, and showing compassion. There are numerous things you can do over the summer to support the people in your community.

## International Convention

---

International Convention will be held in Anaheim, California. ICON is an amazing opportunity for members to connect with other members across the nation! ICON will include a dance, keynote speakers, workshops, and more.
