## Summer Activities

---

Hello, Division 8! It's about time to wrap up this school year and jump into summer break.

Although school is ending, it doesn't mean service is. I highly encourage each and every one of you to keep your excitement for service throughout the next few months by volunteering with local organizations and charities. Contact me if you need any ideas for service projects!

# Club Contacts

Newsletters are a great way to update everyone in the division about the latest happenings within the division. So in order for our year to be as efficient as possible, I need to be able to contact everyone.

I would like to get updated club officers' contact information as soon as possible from all the club advisors and the current officers to ensure that I can keep everyone up to date on important Key Club events and projects!

## International Convention

As you may know, the deadline to apply for the K-T Tour for ICON has passed. For those of you that are attending ICON with our district, the final payment is due June 1st.

I can't wait to see you all there!
