ABOUT ME

Hey K-T District! My name is Lucy Teng, and I'm your new K-T District Historian for the 2023-24 year. I am a Sophomore at duPont Manual High School in Louisville, Kentucky, and I have

been in Key Club for two years. Outside Key Club, I am in Beta Club, Women in Science and Engineering, and Science Olympiad. I have one dog and four cats, so I am a cat person. I am so excited to be your Historian for the upcoming year!

KEY CLUB®

Service Projects

A great way to enjoy your summer is to help your community out! I know school is ending, but it is never too early to start your service hours for the following year. The linked Google Doc has specific or general ideas for your club to get started. Also, if you have any service projects you would like me to share or want more information on any of these projects, please email me.

PROGRAMS AND PARTNERS PROMOTION: RONALD MCDONALD HOUSE CHARITIES

RMHC[®]

The Ronald McDonald House Charity (RMHC) is a nonprofit organization that helps keep families close to their hospitalized children and supports them through the crisis. RMHC is also the KT District project, so this district must help them out!

"We believe when families are together, they cope better. We believe no family should have to deal with their child's medical crisis alone."

Throughout the year, I will be helping clubs and divisions with getting involved with RMHC. More resources will come in later newsletters from the lieutenant governors and me. If you need any help getting involved, don't hesitate to contact me. More information can also be found on their website at <https://rmhc.org/>.

ICON

The International Key Club will host their International Convention in Anaheim, California, July 5-9, 2023! There will be incredible workshops, jam-packed dances, and moving keynote speaker sessions. Even though the registration deadline has passed, you can still go on the KT District Tour for ICON! The tour will be from July 4-11th, including stops in Universal Studios, Hollywood, and Santa Monica Pier!

For more information, go to:

YEAR AHEAD

I am so excited to work with you this upcoming year! Please get in touch with me if you have any questions about service projects/opportunities, Ronald McDonald House, or anything else. I will be happy to answer your questions.
